**CoCo View Resort ([www.cocoviewresort.com](http://www.cocoviewresort.com))**

Extraordinary is the only word to describe CoCo View resort on the island of Roatan just off the Caribbean coast of Honduras. Every room has a waterfront view in this all- inclusive resort. Everything you need: restaurant, bar, spa, personal dive lockers and dive shop are all just a few steps from the door of your waterfront cabana or bungalow. The amenities at Coco View are excellent but this resort is all about serious diving. Two famous reef walls plus the Wreck of the Prince Albert: and that is just the shore diving. Diving five to six dives a day is not uncommon at Coco View because such amazing sights lie just off your doorstep. All diving from the resort is included. Coco View also maintains an impressive dive boat fleet that takes you to famous reefs and walls throughout the south side of Roatan.
